Subject: 3/17/19 210 W Slauson Ave tanker fuel fire - two bags of evidence

Hello all,

Please see the below email and photo from one of our City Attorney Investigators who's working on the 210 W Slauson Ave tanker fuel fire case that occurred March 17, 2019.

This photo was taken by DOT Investigator Felix Gonzalez on 3/17/19. It shows two plastic bags full of paper evidence from the scene of the incident. In this photo, the bags are in the back of Watershed Protection Division Ass't Chief Howard Wong's work vehicle, but neither Wong nor I maintained custody of these bags; we don't have them in our possession.

For everyone I sent this email to - could you please let me know if these bags ring any bells, and/or where they may have ended up? Do any of you currently have these bags in your custody?

Thank you so much!!

Sincerely,

Carolyn Cook

Hello,

I am reaching out to you because I saw a photo of a ziploc type bag with paperwork that was collected at the scene. I would like to know if either of you have the bag in your custody?

Thanks,
Martha
